

“He always believed in people and in their ability to surpass their own goals.”

Pete *Ketcham*
Memorial Scholarship

The late Pete Ketcham was one of West Fraser's founders and served as Chairman of the Board for almost 20 years. He was a respected businessman who dedicated his career to furthering West Fraser's success. Although a competitive and driven leader, Pete is most remembered for his extraordinary vision and for helping others to achieve their goals. As a legacy to Pete's generous spirit and commitment to helping others reach higher, West Fraser established the Pete Ketcham Memorial Scholarship Fund, which helps students reach their academic goals by distributing annual grants to eligible candidates.
