Safety Stand Down: Pause and Reset

“Safety is a core value and business priority.”

SIF – High Potential Incidents

SIF – High Potential Incidents

SIF – High Potential Incidents

Luck is not always on our side....

Complacency is a HAZARD!!!

Incidents

“Complacency is man's biggest weakness. It creeps up on us when we least expect it.”

Jay Mullings

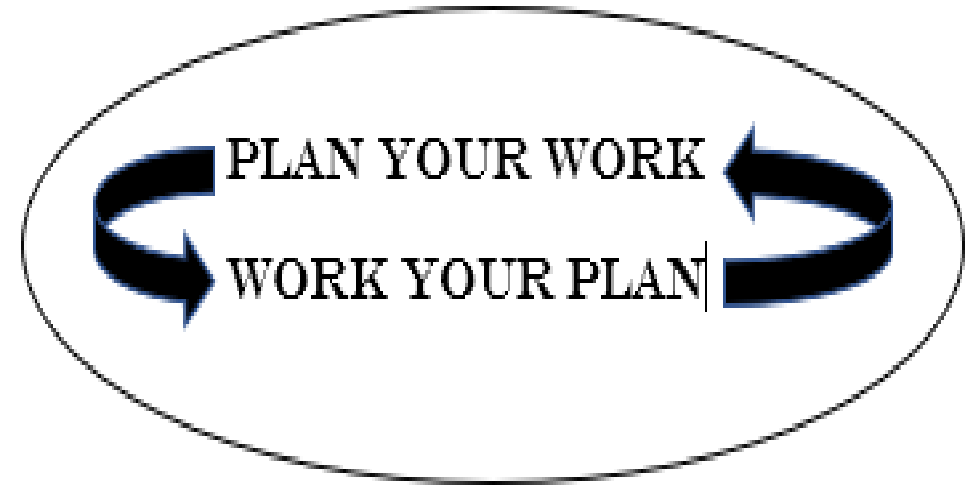

PAUSE

WHO WILL YOU PAUSE FOR?

- P** Plan your work safely
- A** Assess Hazard in your Workplace

you need to work safely?**

Start And Finish Every Task safely

Take Away Message

WE MUST:

INCREASE OUR HAZARD RECOGNITION

&

REDUCE OUR RISK TOLERANCE
