

A SINGLE SECOND

It takes a **minute** or two
to read a safety policy.

It takes an **hour** or less to hold
a safety meeting

It takes a **week** to plan a
good safety program

It takes a **year** to win a
safety award

It takes a **month** or more to
put that program into place

But it takes **only a second**
to destroy it all

It takes **a lifetime** to build a
safety culture

**Take the time now to work safe and help
your fellow employees to be safe.**
