

# Fitness For Work

## DID YOU KNOW

**West Fraser Policy is to provide a work environment where its employees are free from the effects of drugs, alcohol and other performance impairing substances.**

**Employees must be fit to be at work and not under the influence of any behavior altering substances, legal or otherwise.**

**This includes both prescribed and non-prescribed substances, just as it always has.**

**Our message will continue to be**

**"zero tolerance"**

**because Safety is our number one priority of all of our employees**
