

# FOCUS ON THE TASK AT HAND

*"safety is a core value and business priority"*

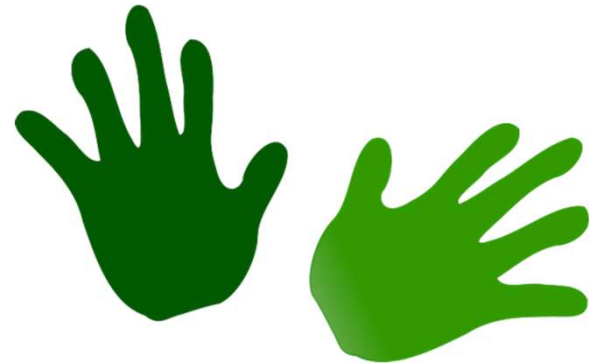

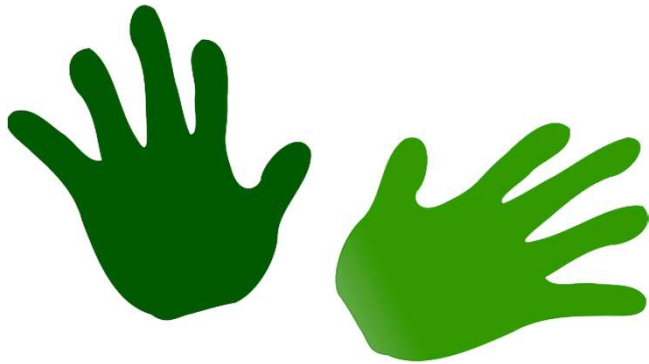

---

## 50 Percent Reduction:

---

The Operations Safety Team identified Hand injuries as a primary focus in 2020.

The goal is a 50% reduction in hand injuries across the company.

---

## Focus has been on what was occurring around the activity:

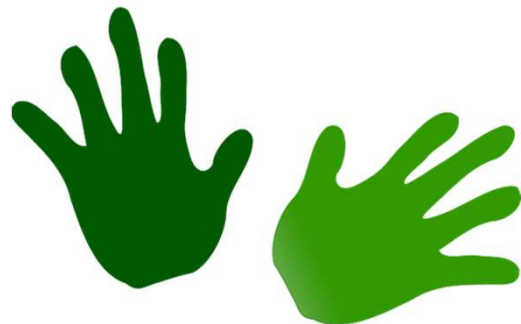

---

- ☐ This includes Respiratory Infection Controls.
- ☐ This includes focus on physical distancing
- ☐ This has included Personal Protective Equipment

---

**These are important things but  
ALWAYS REMEMBER:  
Focus on the Task at Hand**

---

50%

---

**Where are your hands and what can hurt them?**
