

WSBC Reporting

Supervisor
Crew
Talk

Some incidents must be immediately reported to WorkSafe BC:

**Serious injury
or fatality**

**Major
structural
failure or
collapse**

**Major release
of hazardous
substances**

**A fire or explosion
that had the
potential to cause
injury**

CPP must conduct a Preliminary investigation (Level 1) for the following:

Incidents are required to be reported immediately (listed above)

Worker requiring medical treatment

Near miss that had potential for causing serious injury to a worker

Blasting accident that causes personal injury

Dangerous incident involving explosives

Driving Accident
