

Bragg Creek (South): Harvest Plan
Planned Blocks: 248ha
Map Date: March 6, 2026
Operations Start: Oct 1, 2026

Trail Builds:
All trail building permits/approvals are the responsibility of BCT. For the trails identified WFC will act as a contractor or volunteer (as appropriate) implementing the build under the direct supervision of a BCT representative.

Trail #19 & Trail #20:
Trails are proposed in West Bragg Creek Trails Master Plan and are scheduled for construction independent of WFC activities. To integrate activities, these trails are to be constructed in summer 2026 prior to WFC operations starting Oct 2026 to serve as a bypass as WFC builds road along Elbow trail. WFC to provide manpower to construct.
