NOTE REGARDING FORWARD-LOOKING STATEMENTS AND INFORMATION

Certain of the statements and information in this news release constitute “forward-looking information” within the meaning of applicable Canadian securities laws. All statements, other than statements of historical fact, are forward-looking statements or information. Forward-looking statements or information in this news release relate to, among other things:

- listing and trading of the West Fraser Shares on the NYSE;
- delisting of the Norbord Shares from the NYSE and TSX; and
- expected date of change of the West Fraser stock symbol on the TSX.

These forward-looking statements and information reflect West Fraser’s and Norbord’s current views with respect to future events and are necessarily based upon a number of assumptions that, while considered reasonable by West Fraser and Norbord, are inherently subject to significant operational, business, economic and regulatory uncertainties and contingencies. West Fraser and Norbord caution readers that forward-looking statements and information involve known and unknown risks, uncertainties and other factors that may cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements or information contained in this news release and West Fraser and Norbord have made assumptions and estimates based on or related to many of these factors. Among the key factors that could cause actual results to differ materially from those projected in the forward-looking statements and information are the following:

- the ability of West Fraser to satisfy all conditions relating to the listing and trading of the West Fraser Shares on the NYSE;
- the ability of West Fraser and Norbord to effect the delisting of the Norbord Shares from the NYSE and TSX; and
- the ability of West Fraser to effect the change in West Fraser's stock symbol on the TSX.

Certain of these factors are identified under the captions "Risk Factors Relating to the Arrangement and West Fraser" in the management information circular of West Fraser, dated December 15, 2020 and sent to holders of West Fraser Shares in connection with the Transaction and "Risks Relating to the Arrangement and the Combined Company" in the management proxy circular of Norbord, dated December 15, 2020 and sent to Norbord Shareholders in connection with the Transaction. Although West Fraser and Norbord have attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated, described or intended. Investors are cautioned against undue reliance on forward-looking statements or information. Forward-looking statements and information are designed to help readers understand management's current views of the company's near and longer term prospects and may not be appropriate for other purposes. West Fraser and Norbord do not intend, nor do they assume any obligation, to update or revise forward-looking statements or information, whether as a result of new information, changes in assumptions, future events or otherwise, except to the extent required by applicable law.

U.S. Securities Matters
