

Certificate of Registration

This is to confirm that KPMG Performance Registrar Inc. has verified that

West Fraser Mills Ltd. – BC and Alberta Woodlands Operations
1250 Brownmiller Road, Quesnel, British Columbia V2J 6P5

Conforms with the requirements of the 2015-2019

Sustainable Forestry Initiative® (SFI) Forest Management Standard

Forestry and logging operations (planning, roads, harvesting, silviculture and remote log camps, but excluding log hauling) undertaken by the Company and its contractors.

The following woodlands operations are included within the scope of this registration:

Alberta Plywood Woodlands
Fraser Lake Woodlands
Manning Forest Products Woodlands
Sundre Woodlands

Blue Ridge Lumber Woodlands
High Prairie Forest Products Woodlands
Pacific Inland Resources Woodlands

Chetwynd Forest Industries Woodlands
Hinton Wood Products Woodlands
South Cariboo Woodlands

This SFI certificate covers both the 2015-2019 SFI Forest Management Standard and the 2010-2014 SFI Standard (Section 2). Fiber sold under this certificate counts as 100% SFI and PEFC certified forest content.

This certification is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof.
Certification does not assure the effectiveness of the Sustainable Forest Management System or continued compliance with relevant forest and environmental legislation and regulations.

Certificate No. PRI-SFI-FM-010
Issue Date: August 30, 2007
Revision Date: January 20, 2017
Expiry Date: August 12, 2018
